SUBJECT: CANADA EAGER TO PARTICIPATE IN PSI MEETINGS IN MIAMI

REF: STATE 132842

11. (SBU) Canada is eager to participate in the Proliferation Security Initiative Operational Experts Group and outreach meetings in May in Miami, according to Department of Foreign Affairs and International Trade non-proliferation senior policy advisor David MacDuff. MacDuff added that Canada is particularly interested in the chance to discuss the global and regional dimensions of the PSI and WMD-related interdictions. MacDuff was already aware of the May meeting in Miami, having attended the September OEG meeting in Paris. MacDuff promised to circulate the reftel non-paper to Department of National Defence colleagues, and said that the U.S. can "count on strong Canadian participation in this event."
